FOR IMMEDIATE RELEASE

May 4, 2009

ATCO Software Announces the addition of Japanese Shopping Carts for real-time booking into their ATCOREz program for activity providers and restaurants.

ATCO Software Inc., the leader in real-time bookings for the attractions industry, announced today the addition of Japanese shopping carts for its ATCOREz software.

Starwood Waikiki which previously had real-time bookings from their English websites to their Central Dining and Show reservations system (ATCOREz) has now expanded to receiving real-time reservations from their Japanese websites utilizing the ATCO Japanese shopping cart.
