

FOR IMMEDIATE RELEASE:
December 31, 2013

ATCO Software Inc. is proud to announce they have been certified by Shift4 Corporation to incorporate Shift4 into their concierge booking software – ATCO Voucher.

Shift4 Corporation is the Hospitality Industry leader in credit card payment security.

“DOLLARS ON THE NET offers the highest level of transaction and financial data security, including certified compliance with the Payment Card Industry Data Security Standard (PCI DSS). Shift4 works with our merchants to help ensure the security and compliance of their systems.”

Shift4 Corporation demands third parties like ATCO Software go through a rigorous certification program before they are allowed to integrate the Shift4 technology into their industry solutions. This certification process took over 24 months to accomplish.

ATCO Software is the only Hawaii company certified by Shift4.
